# bio

Born and raised in Marietta GA, Ricardo started mixing at the age of 19. However that's not where his passion for music started. It started around the time he was 12 years old, with the opportunity to play drums at church. To this day he still spends his Sunday mornings jamming with the church band. Ricardo grew up listening to R&B and Old School Hip Hop which, has given him a unique approach to the music he spins. His flawless mixes uplift any audience and he is as versatile as they come.

He learned how to mix through an Atlanta legend, DJ Sounthanbred. He used to practice in Sounthanbred's basement until he was ready for house parties. He soon would graduate into the Atlanta club circuit, taking it by storm. Since then he has had the privilege to share the stage with some of Atlanta's finest... Mister Jay, Dj King Arthur, DJ TayRock, Dj Scream, Dj Montay, Dj Jelly, DJ MLK and the list goes on. In 2012 he released his first major mixtape, entitled "HEART OF DA ATL". That release allowed the Southern regions to witness his skillset and launched him into stardom.

If you go to the streets and ask about Ricky Moss, you won't have to look too hard to realize that his name is well respected. He has become a legend himself. Go to his corporate clients and you'll hear the same thing. Since joining One Night Entertainment Ricky Moss has brought the streets to the boardroom. His private events drip with ATL style and energy. This has him quickly becoming one of the most in demand DJs at One Night. Whether buttoned up or buttoned down Ricky Moss will always keep that same energy.
